

Interpretation Structures

Eye-catching and durable
installations that will meet your
interpretive objectives...

Our range of materials – including
our “key ingredient” Multiguard®
– provides you with any number
of options...

Multiguard® is here!

The most effective panel material on the market
today - only available from BSG.

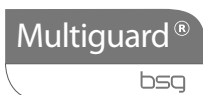

It provides complete protection from extreme
weather conditions and greatly reduces the effects
of vandalism.

For more information and a sample of Multiguard®
call one of our team today!
